Dear [redacted]

STAT

As you know, the Commission is at an end, and we find ourselves quite short-handed. We would very much appreciate it if IC could arrange the distribution of our all-source (Hitchcock) Intelligence Study to the office of record for storage. I understand that [redacted] has all the necessary information. We will shortly be sending you a letter furnishing the names of all the people who will be receiving this study.

Again, warm thanks for all that you have done to help us with our work.

Sincerely,

Fisher Howe
Deputy Executive Director
